Peachtree Marketplace - Atlanta, GA

Structure: Renovation of existing Type IIA Construction - Steel

Occupancy Type:
Retail

Client/Developer: JBL Development Group, Inc.

Program:

Peachtree Marketplace is an existing single story neighborhood shopping center currently undergoing an extensive three-phase exterior renovation. The ongoing improvements, along with the addition of major grocery and fitness anchors, are transforming the dated retail strip mall into an inviting, walkable, vibrant new retail center with a clean, classic, upscale expression.
